Director's Message

To our valued students,

Now that classes have started on the week of September 7th, we're thrilled to announce changes in our membership that will benefit our members and the broader university community. We've rebranded our newsletter to VU communique, which will now include updates and events that are relevant to our members. We're excited to share more information about our upcoming events and initiatives.

Our faculty and students have worked hard on courses and events, and we're thrilled to be able to share information about them. We appreciate your support and are looking forward to working with you.

We're excited to hear from you and see how we can continue to support you.

Best regards,
